

- ❖ Three part construction comprising a Polycarbonate housing, diffuser and trim and an aluminium gear tray.
- ❖ LED array is bonded directly to the gear tray for improved thermal performance.
- ❖ Available with integrated Microwave sensor.
- ❖ Ingress Protection rating: **IP65**
- ❖ Impact Resistance rating: **IK08**
- ❖ Power Consumption: **19W**
- ❖ Lumen Output: **1,500 lumens**
- ❖ Part Number: **ALT-15**
- ❖ Options:
  - ❖ For Microwave Sensor add suffix **MWS**
  - ❖ For Emergency Conversion add suffix **EMC**

A robust luminaire suitable for use in interior locations. The body is made from a self-extinguishing polycarbonate. Rated to IP65 for particle and moisture ingress and also rated to IK08 for impact strength. Can be used with an integrated occupancy sensor which will lower the light output to a pre-determined level when the controlled space is unoccupied. Self-contained, Maintained Emergency conversions are also available.
