Castor

- Three part construction comprising a pressure die-cast aluminium back plate and gear tray with a polycarbonate diffuser.
- LED array is bonded directly to the gear tray for improved thermal performance.
- Ingress Protection rating: **IP65**
- Impact Resistance rating: **IK10**
- Power Consumption: **33W**
- Lumen Output: **3,000 lumens**
- Part Number: **CAS-30**

A robust luminaire suitable for use in exterior locations. The body is made from pressure die-cast aluminium and finished in a black polyester powder coat paint. Rated to IP65 for particle and moisture ingress and also rated to IK10 for impact strength. Can be used with an integrated daylight sensor which will automatically operate the luminaire between dusk and dawn.
